

**A pharmacist's advice:
helpful with every dose.**

**It's Pharmacist Awareness Week in Manitoba.
Take this opportunity to learn what your
pharmacist can do for you!**

As the most accessible health care provider in the community, your pharmacist is often your first point of contact with the health care system and is an excellent source of information.

Visit your local pharmacy and find out the many ways pharmacists can help you improve your health.

**Pharmacist Awareness Week
March 6 - 12, 2011**
